Tuition & Fees

2026-2027 SCHOOL YEAR

As we continue to prioritize high-quality care, exceptional educators, and a safe, well-equipped learning environment, we will be updating our tuition rates for the upcoming school year. The registration fee is $400.00 for first-time families and $200.00 for returning families. The supply fee is $250.00 for all families. The rising cost of classroom materials, resources, and the competitive market for qualified teachers has made this adjustment necessary to maintain the level of excellence your children deserve.

These updated rates will take effect immediately for all new enrollments, beginning on each child's first day. For current families, the new tuition rates will begin on the first day of the new academic school year in August.

We remain committed to providing an outstanding early learning experience. These updates support our staff, enhance our classrooms, and ensure we continue delivering the high standard of education our families expect.

If you have any questions regarding the upcoming school year or the updated rates, please feel free to contact us at excel@elcmanager.com.

Thank you and we look forward to another year with your family!
